Wallingford, CT, October 15, 2010 – Connecticut’s premier privately-owned emergency clean up and restoration services firm continues to expand.

Clean Sweep Restoration Services of New England, LLC named Jacqueline Prast to the newly created position of Sales Manager. Ms. Prast has been with the company since 2009. A veteran of the insurance industry, Ms Prast is fully immersed in the industry and has already helped Clean Sweep expand their insurance industry services and offerings, including the new 24/7 online Report A Claim service via their website.

Prast will head up the sales team of six whose territories cover the State of Connecticut as well as Massachusetts and Ms. Prast is charged with helping the Clean Sweep expand into new vertical industries.
