

CLEAN SWEEP HOME REMODELING SERVICES

In addition to the emergency restoration services we'll provide for your loss, you may also like to know that we're here for you any time.

Think of us for year round for your home remodeling and other services too, including:

- Reconstruction and other repairs - after the emergency service restoration work has been completed, most homes are in need of some level of repairs and reconstruction. From reattaching baseboards, reinstalling flooring, to replacing ceilings, stud walls and roofs, the Clean Sweep Structural Repair Division can perform all the necessary aspects of your reconstruction project.
- Clean Sweep offers an annual mold and mildew check up along with duct cleaning to ensure you have the best indoor air quality possible.
- Remodeling and contracting services including flooring, painting, carpentry and more.
- Cabinetry - we are a Fieldstone Cabinetry reseller.

RESIDENTIAL SERVICES

We're Clean Sweep Restoration Services – your source for emergency clean up services after any disaster.

We've been dispatched by your insurance company to assist you with the recovery from your loss. We understand this recent emergency event can be a major inconvenience for you and your family. It is our intent to deliver professional and competent

OUR 24 HOUR EMERGENCY SERVICES INCLUDE:

WATER DAMAGE

Our state of the art equipment and applied structural drying methods ensures your home is dry as quickly as possible. Our certified drying technicians can completely dry your property in record time.

INFRARED THERMOGRAPHY

Using infrared thermography quickly identifies water damage inside the walls of your home to determine damage and take the correct course of action to save your property and protect your home from mold.

"Most professional contracting team I've ever worked with!" – G.G., Madison, CT

restoration services without adding any further stress.

Since 1996 we've been restoring homes and businesses to their original condition – or better – that have been damaged by water, smoke, fire, wind, mold and other natural disasters. **We are a Green Certified company and can restore your property using green, environmentally-friendly construction and products.**

Should you have any questions or concerns during the process, please call our Production Manager at (800) 952-0556.

"When we got the call that our basement was flooding while we were out of town, we had no idea what to expect. By the time we flew home, your crew was already there and most of the damage had been taken care of! Thank you for being such a pleasure to work with."
– T.N., Fairfield, CT

"Your overall performance exceeded our expectations. You kept us updated and arrived on time throughout the ordeal." – D.K. Stamford, CT

STATE OF THE ART EMERGENCY CLEANUP, DRYING AND DEHUMIDIFIER EQUIPMENT

"The entire clean up team from Clean Sweep was outstanding and you should be proud that you have assembled such dedicated individuals. Thank you for such great service." – R.H., Stamford, CT

MOLD REMEDIATION

Mold is a recurring organism that can be dangerous to you, your family and your pets. Not all mold is dangerous, and only a few are toxic, but only trained professionals can tell the difference and properly remove the mold from the property. Our Mold Remediation Supervisors that are trained and certified by the American Indoor Air Quality Council.

"My family calls me a cleaning fanatic, but I have met my competition! Arriving every day on time to help us clean up our 'puff back' resulting from our furnace malfunction, your crew was fabulous. Thank you."
– G.C., Cheshire, CT
